

Authority is From God

Colossians 3:20-22, 25-4:1

Authority is From God

Authority is From God

- Authority is on this earth because of God, it's from Him, and we should follow it well
- We are to follow authority well

Authority is From God

- We are not to abuse authority if we have it, for all serve God and are accountable to Him
- We are to be godly in how we use authority
