

Faith and the Law

Romans 3:27-31

Faith and the Law

Faith and the Law

- There is no call for boasting in anything man may do, since our salvation is based on a faith in Jesus Christ alone
- Salvation is by faith so we cannot boast

Faith and the Law

- We are saved by placing our faith only in Christ, and having it be only faith with no works
- Salvation is by faith alone, not keeping the law

Faith and the Law

- All people who are saved are saved the same way, faith in Christ
- This salvation by faith alone is for all people

Faith and the Law

- Through the Law we see that God is righteous and that we are sinners
- The Law exists to show God is holy
